

MCC Coronavirus (COVID-19) Statement

Updated: September 7, 2021

The global coronavirus outbreak (COVID-19) is impacting global commerce, and we are assessing the full business impact to MCC and our supply chain. We continue to monitor the situation and are taking appropriate steps to safeguard our employees and customers.

Our priority is to protect our supply chain and customers. We are in constant communication with our suppliers, customers, logistics service providers, and global port authorities to monitor the situation and take appropriate action as needed.
