

Product Discontinuance Notification (PDN)

This Product Discontinuance Notification (PDN) is issued to inform customers that the product(s) listed below will be discontinued and will no longer be available from MCC.

For selected products covered by this PDN, recommended alternative parts may be available and may be considered for immediate evaluation and substitution. Customers are responsible for validating the suitability of any replacement products for their applications.

For questions regarding this PDN, please contact your local MCC sales representative or authorized distributor.

Please Note: Upon publication of this product discontinuance notice, MCC will allow a period of six (6) months from the announcement date for customers to place last time buy orders. Acceptance of such orders is subject to reasonable order quantities, product availability, and all other applicable terms and conditions. To allow an orderly exit from the market, product deliveries will not be made later than twelve (12) months from the issue date.
