

## **Ordering Information**

### **Lead Containing Product**

A part number suffix "T" is used to designate Tape pack.  
eg. 1N4001-T is 1N4001 on Tape and Reel.

A part number suffix "A" is used to designate Ammo pack.  
eg. 1N4001-A is 1N4001 on Ammo pack.

A part number suffix "B" is used to designate Bulk pack.  
eg. 1N4001-B is 1N4001 on Bulk pack.

### **Lead-free Products**

A part number suffix "P" is used to distinguish lead free version of product from the traditional lead containing version.

eg. 1N4001-TP is a RoHS compliant part on Tape pack.  
1N4001-AP is a RoHS compliant part on Ammo pack.  
1N4001-BP is a RoHS compliant part on Bulk pack.

**To order a 1 Amp, 50 Volt Standard Recovery Rectifier in an DO-41 package (1N4001) on Tape, you would order an "1N4001-T." To order the Lead Free Version of this product on Tape, you would order "1N4001-TP."**
